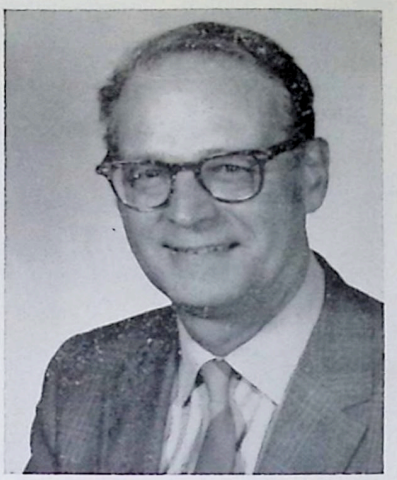
dedicated to:

Myron A. Leenhouts

Margaret E. Hembrook



Emil S. Ladner

Myron A. Leenhouts will retire after forty years of outstanding service as a distinguished educator of the deaf at the end of this school year. Mr. Leenhouts, a native New Yorker, received his early education in Rochester, New York. He was awarded his Bachelor of Arts degree from Hope College, Holland, Michigan, and his Master of Arts degree from Gallaudet College, Washington, D.C. He continued his studies at the University of Rochester, the University of Toronto, San Francisco State College, and the University of California, Berkeley.

Before coming to the California School for the Deaf, Berkeley, he was a teacher and then a principal of the Rochester School for the Deaf. While there, he was married to Miss Mildred King, a member of the teaching staff. Their daughters, Linda and Judy, have followed the family tradition and both became teachers of the deaf in New Mexico and Arizona respectively.

Mr. Leenhout's professional writings and affiliations are numerous. He was often called upon to participate as a member of committees, as a panel member, or chairman of section meetings in various professional organizations. He played an important role in bringing the California School for the Deaf, Berkeley, to national prominence. During his twenty seven years at Berkeley, California set a national record for sending large numbers of well qualified students to college. He was also instrumental in the various phases of curriculum development and devoted much of his time to helping the students. The education of the deaf has been enriched by his many contributions to the field.

The school administration, the staff, and the students extend to Mr. Leenhouts our gratitude for his years of devoted service and our sincere wishes for a most enjoyable retirement.

The California School for the Deaf, Berkeley will lose an outstanding and dedicated teacher when **Miss Margaret Hembrook** retires this year. Born in Wisconsin, Miss Hembrook completed her education in her native state and graduated from State Teachers' College (now known as the University of Wisconsin). She then received her professional training to teach the deaf at the Paul Binner Day School in Milwaukee. She continued her studies at Marquette University, Milwaukee; Northwestern University, Evanston, Illinois; San Francisco State College; Los Angeles State College; and the University of California at Berkeley. She taught in Missouri, Minnesota, and Oregon before coming to California.

Miss Hembrook has a great love for teaching and she has continually instilled in her students an appreciation of good language. She has created for them an atmosphere which has cultivated a sense of well being. Students have been desirous of joining the faculty in extending their appreciation to her for her clear and understanding philosophy of thoroughly educating deaf children both academically and personally. Hundreds of students' lives have been enriched by having Miss Hembrook for their teacher.

Her many friends wish her joy in her retirement, though we realize that her absence will be a great loss for our school and our students.

Although **Emil S. Ladner** retired December 31, 1970, and was honored in the January issue of THE CALIFORNIA NEWS (see Vol. 86, No. 4, January 1971) the Seniors wish to recognize him for the thirty seven and a half years as a teacher at the California School for the Deaf, Berkeley. We congratulate Mr. Ladner for his continued devotion to help deaf people by studying for his Master of Business Administration degree at San Fernando Valley State College and for his appointment as Executive Director of the Registry of Interpreters for the Deaf. We wish him much success.
